Kevin Strauss, Community Engagement Coord., kevin@crwp.net

In addition to the stormwater education videos below, Kevin will also be creating a 10-minute **“Be the Solution to Stormwater Pollution”** video that teachers can show to students. Kevin will email the link to teachers later this week. He is also available to meet with your students and answer questions about the contest via Zoom or Google Hangouts. Contact him at kevin@crwp.net for details.

Stormwater Education Videos

“2021 Northfield Stormwater Poster Contest” Cannon River Watershed Partnership

This is the introduction video for this poster contest.
