

**CLEAN RIVER  
PARTNERS**

*We believe that everyone should be able to swim and fish in healthy rivers and lakes and drink clean water from our wells.*

Kevin Strauss, Community Engagement Coordinator

[kevin@cleanriverpartners.org](mailto:kevin@cleanriverpartners.org)

Here are videos to help students participate in the **“Be the Solution to Stormwater Pollution”** Poster Contest. Kevin is also available to meet with students and answer questions about the contest via Zoom or Google Hangouts. Contact him at [kevin@cleanriverpartners.org](mailto:kevin@cleanriverpartners.org) for details.

## Stormwater Education Videos

“2022 Northfield Stormwater Poster Contest” Clean River Partners

This is the introduction video for this poster contest

<https://vimeo.com/697023437>

“Stormwater to Drinking Water” North Texas Council of Governments

(Note, in Northfield, we get our drinking water from underground aquifers, not a surface reservoir.)
