

## CLEAN RIVER PARTNERS

*We believe that everyone should be able to swim and fish in healthy rivers and lakes and drink clean water from our wells.*

In addition to the stormwater education videos below, Kevin has created a 6-minute **“Upstream, Downstream...Clean, Clean, Clean”** video that teachers can show to students. The link is on the [www.CleanRiverPartners.org](http://www.CleanRiverPartners.org) website. Kevin is also available to meet with your students and answer questions about the contest via Zoom or Google Hangouts. Contact him at [kevin@CleanRiverPartners.org](mailto:kevin@CleanRiverPartners.org) for details.
